

Platinum Upholstery Ltd.

Quality UK manufactured fabric suites.

*Platinum Upholstery Ltd was established in May 2018 from the meeting of two families, one with 50 years of experience in the sofa sales sector and the other with as many years of experience in the upholstery and manufacturing. Our past history in the sofa industry, from manufacturing down to retail, has meant that today we think we are able to know what our customers require from ourselves.
A good quality fabric upholstered product delivered on time without delays or issues.*

We only use Belgium most famous mills to produce our jacquard woven chenille fabric's and we are always on the look for new colours and designs to keep ahead of the game for people ever changing habit's.

Our frames construction are made from birch hard wood timber with only a small amount of particleboard pieces where required. The frames are screw fixed and wood glue is applied where needed, the wood is stapled to ensure the frames stay as solid as possible for years down the line.

We offer a full UK mainland and Ireland delivery service with no minimum order, from date of order to date of delivery to your warehouse is only 6 to 8 weeks.

We pride ourselves in being able to say we take our product to the top level. Our entire process is built around providing the very best customer experience possible. Our sofas are made-to-order, no matter which combination or fabric cover you require the settee you're after to complete your home, Platinum Upholstery can deliver it.

We are the family company you can trust.

EDWARD COLLECTION

The Edward collection can be defined as a modern reinterpretation of the classic English-style sofa. The rounded armrest brings us back to the classic, but the back cushion with its characteristic horizontal stitching projects us towards the modern style. The Edward is a very minimalistic and simple handcrafted sofa with a modern plain fabric. Have fun reinventing a great classic with our patterned fabrics!
